

Checklist for CCMP facilitators

Stage one | Envisioning the church for integral mission

The church develops its vision as well as that of its immediate community, committing to use CCMP as a tool to achieve the vision, by ministering to its immediate community in an integral way.

Activity	Completed
Developing a vision with the church leaders / the church, including: <ul style="list-style-type: none"> • facilitation of the six questions 	
Introducing integral mission, including: <ul style="list-style-type: none"> • understanding poverty as broken relationships • the mandate of the church to restore broken relationships • John 10:10 • Luke 4:14-21 	
Introducing the nine aspects of holistic well-being and how these link to integral mission	
Introducing CCMP as a tool for practising mission, including: <ul style="list-style-type: none"> • the objectives of CCMP, the nine pillars, the five stages, expected outcomes, challenges and implications of implementing CCMP • the group's acceptance of CCMP and commitment to using it • the development of an action plan 	
Producing a holistic vision statement for the church and the community, using all nine aspects of well-being	

Indicators that the envisioning section is complete:

1. The church has developed a holistic vision statement for the church and the community, using all nine aspects of well-being from the Light Wheel.
2. There is an acceptance of and commitment to use CCMP as a tool to live out integral mission.

Stage one | Foundational Bible studies

The church understands its biblical mandate for holistic ministry to its immediate community and commits to engage in integral mission in a practical way, and thus truly becomes salt and light to the community.

Activity	Completed
Foundational Bible study 1 – God’s purpose for humankind	
Foundational Bible study 2 – God’s vision for his people	
Foundational Bible study 3 – pictures of the church	
Foundational Bible study 4 – the ministry of Jesus	
Foundational Bible study 5 – the church as salt and light	
Envisioning for holistic ministry, including: <ul style="list-style-type: none">the development of a revised holistic vision statement for the church and community, ensuring that all nine aspects of well-being are represented	

Indicator that the foundational Bible studies section is complete:

1. The church has developed a revised holistic vision for the church and the community.

Stage one | Resource mobilisation

The church discovers that God has given it the resources to meet its needs and begins to use them to meet the needs. The church acquires confidence to 'awaken' its immediate community to also begin to address its poverty using the God-given resources.

Activity	Completed
Introducing the concept of 'resources' and how to use them to address needs	
Resource mobilisation Bible study 1 – Jesus raises Lazarus from the dead	
Resource mobilisation Bible study 2 – Jesus feeds five thousand people	
Resource mobilisation Bible study 3 – Elisha, the widow and her oil	
Identifying needs	
Prioritising needs	
Matching local resources to needs	
Planning for the projects identified and agreed on	
Selecting a committee to oversee project implementation	
Training the committee(s) to oversee project implementation	

Indicators that the resource mobilisation section is complete:

1. There is evidence of smaller projects being initiated by individuals and the church.
2. Marginalised groups are participating and are empowered.
3. Local resources have been matched to identified needs.

Stage one | Relationship-building

The church understands the biblical perspective for relationship-building with its immediate community and prepares to begin engaging the community in practical ways.

Activity	Completed
Relationship-building Bible study – who is my neighbour?	
Clear definition of ‘immediate community’	
Implementing a well-structured community entry plan	
Meeting between church and community takes place	
Facilitating ‘Build a fire!’ – lighting the development fire	
Church is building relationships with other churches in the community	
Selecting and training CCREPs	

Indicators that the relationship building section is complete:

1. Minutes of the meeting between church and community have been completed.
2. A list of CCREPs trained has been made.

Stage two | Church and community description

The church and community 'read into' the reality of their situation and desire to transform it.

Activity	Completed
Understanding a biblical perspective for description	
History tool 1 – church and community history map	
History tool 2 – church and community history narrative	
History tool 3 – historical trends of events	
History tool 4 – river of life	
Current situation tool 1 – general map/picture	
Current situation tool 2 – church and community resources map	
Current situation tool 3 – seasonal calendar	
Current situation tool 4 – typical day	
Current situation tool 5 – song	
Current situation tool 6 – drama	
Processing the ten tools through the lens of the nine aspects of well-being, and documenting the learning	
Completing the general baseline with all nine aspects of well-being included	

Indicator that the church and community description section is complete:

1. A general baseline has been completed, with all nine Light Wheel aspects of well-being present.

Stage three | Information-gathering

The church and community will have accurate information that truly describes their situation and, when analysed, will enable them to make transformed decisions.

Activity	Completed
Selecting and training information-gathering teams	
Selecting tables through the lens of the nine aspects of well-being	
Collecting and validating information, the means of validation being agreed by the community	

Indicator that the information-gathering stage is complete:

1. Information has been validated.

Stage four | Information analysis

The church and community deeply understand their situation and are motivated to positively and holistically transform it.

Activity	Completed
Analysing of each table is completed through the lens of the Light Wheel	
Conducting problem tree, and discovering and documenting root causes	
Identifying solutions	
Completing full baseline report, with all nine aspects of well-being included	

Indicator that the information analysis stage is complete:

1. A specific baseline has been completed with all nine aspects of well-being represented.

Stage five | Decision making

The church and community make informed decisions that if implemented will cause transformation of their situation in a holistic and God-honoring manner.

Activity	Completed
Understanding a biblical perspective for decision	
Decision 1 – to change or not to change?	
Decision 2 – ‘dreaming dreams’, using all nine aspects of well-being	
Decision 3 – prioritising the desired changes	
Decision 4 – setting goals	
Decision 5 – determining indicators, using all nine aspects of well-being	
Decision 6 – designing monitoring systems	
Decision 7 – action planning, using all nine aspects of well-being	
Decision 8 – selecting structures to oversee implementation of the action plans	

Indicators that the decision making stage is complete:

1. A dream map has been completed through the lens of the Light Wheel.
2. An action plan has been developed.
3. There is progress in the implementation of the action plan.
