

COVID-19 hand washing stations

1. Cheap to make! Find Tippy-Tap on YouTube
2. It's hygienic - you don't have to touch it
3. It saves water
4. Don't forget to top up with water!
5. Always have soap available!
6. Do not use shared towels

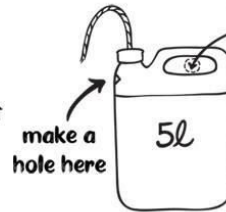

# TIPPY TAP

wash your hands with soap

you can thread the string through a hole in the lid and tie a knot

hang the bottle on the bar through the handle

make a hole here
